Therapeutic Services Agency has contracted with MNSure to be an assister. If you do not have insurance we can refer you to Navigators that can assist you.

Official Partner

More individuals and families in Minnesota can get low cost or free health insurance, even if they already have a health or mental health condition. MNSure offers multiple health plans from insurance companies all in one easy-to-shop location. MNSure is also the only place Minnesotans can go and see if they qualify for federal tax credits to help pay health insurance premiums. A single individual earning less than \$45,000 a year or a family of four earning less than \$94,000 a year, will likely qualify for a tax credit.

FOUR IMPORTANT NOTES

- ALL PLANS UNDER MNSURE MUST PROVIDE MENTAL HEALTH AND SUBSTANCE USE DISORDER TREATMENT, AND MUST FOLLOW MENTAL HEALTH PARITY LAWS
- THERE ARE NO EXCLUSIONS OR WAITING PERIODS FOR INDIVIDUALS WITH PRE-EXISTING HEALTH CONDITIONS
- MEDICAID (MEDICAL ASSISTANCE) IS EXPANDING SO THAT SINGLE ADULTS CAN QUALIFY BASED ON INCOME ALONE (AND NOT DISABILITY)
- MINNESOTACARE WILL NO LONGER HAVE WAITING PERIODS, LIMITS ON HOSPITAL COVERAGE OR A \$1000 CO-PAY FOR HOSPITAL CARE.
